Tillery Compassionate Care recognized in as #21 in Best Places to Work by Modern Healthcare

Chicago, IL (October 23, 2023) Hospice of Stanly County doing business as Tillery Compassionate Care was recognized as one of the top 75 healthcare providers in the nation in the Modern Healthcare Best Places to Work program. The rank was unveiled at the annual Best Places to Work gala held in Chicago, Illinois last week.

“Our team was thrilled to attend the gala and learn that our organization was ranked 21st among the top 75 healthcare providers/insurers in the nation for workplace culture,” Tillery Compassionate Care CEO Lori Thayer said. “The entire staff is dedicated to our mission and vision – that sense of purpose makes our work meaningful. Recognizing that we make a difference in the lives of our patients and their families makes Tillery Compassionate Care a Best Place to Work.”

NEWS RELEASE

This award program identifies and recognizes outstanding employers in the healthcare industry nationwide. Modern Healthcare partners with Workforce Research Group on the assessment process, which includes an extensive employee survey.

Some of the engagement categories include the adoption of core values/mission/vision; health benefits; flexibility of work hours; workplace culture; employee retention efforts; and achievement recognition.

“Congratulations to the team at Tillery Compassionate Care,” said Kayren Brantley, Chairman of the Board of Directors. “The engagement and satisfaction of our staff results in an organization that is beneficial to our patients and families as well as the community as a whole.”
